	DAY WORKS
	Preamble
A	Reference should be made to Sub-Clause _____ of the General Conditions. Work shall not be executed on a day-work basis except by written order of the Project Manager. Bidders shall enter basic rates for day-work items in the Schedule, which rates shall apply to any quantity of day-work ordered by the Project Manager. Nominal quantities have been indicated against each item of day-work, and the extended total for Day-work shall be carried forward as a Provision Sum to the Summary Total Bid Amount. Unless otherwise adjusted, payments for day-work shall be subject to price adjustment in accordance with the provisions in the Conditions of Contract.
	DAYWORKS- LABOUR
B	The amount of wage paid at the rates applicable to workmen engaged on day-work.
C	The time for Labour will be calculated when the actual works are being done, unless previously authorised. This time would exclude meal breaks and rest periods.
D	The time of gangers (charge hands) actually doing the work with the gangs will be measured, but not the time of the foremen or other supervisory personnel.
E	The Contractor shall be entitled to payment in respect of the total time the labour is employed on day-work, calculated at the basic rate entered by him in the **Schedule of Day-work Rates: 1 Labour**, together with an additional percentage payment on basic rates representing the Contractor's profit, overhead, etc, as described below.
F	The basic rates for labour shall cover all direct costs to the Contractor, including (but not limited to) the amount of wages paid to such labour, transportation time, overtime, subsistence allowances and any sums paid to or on behalf of such labour for social benefits in accordance with St. Vincent and the Grenadines labour laws. The basic rates will be payable in Eastern Caribbean (EC) currency only.
G	The cost of overtime, where specifically ordered or subsequently sanctioned in writing by the Project Manager's Representative, to be worked on day-work.
